SANTIAGO DIAZ-LONDONO

Carteret, NJ • (848) 467-1165 • sad320@scarletmail.rutgers.edu • Santiago Diaz-Londono | LinkedIn• santidiazlondono.github.io

PROFESSIONAL SUMMARY

Analytical and driven Rutgers Business School finance student with strong quantitative skills, customer-facing, and leadership experience gained in fast-paced retail environments. Proficient in SQL, Excel, and Tableau, with hands-on coursework in accounting, statistics, investment analysis, and financial management. Recognized for reliability, problem-solving skills, and the ability to work effectively in high-pressure team settings. Seeking a finance or analytics position to apply data-driven decision-making, financial modeling, and operational insights to real-world corporate challenges.

EDUCATION

Rutgers Business School – New Brunswick, NJ Expected May 2027

Bachelor of Science in Finance and Management **GPA: 3.2**

Relevant Coursework: Corporate Finance, Investment Analysis, Derivatives, Accounting, Statistics, Economics, Business Ethics

PROJECTS

DuPont Financial Analysis Dashboard | *Tools: Tableau, SQL, Financial Statement Analysis*

- Conducted a DuPont financial analysis decomposing Return on Equity (ROE) into operating profit margin, total asset turnover, and financial leverage to diagnose macro drivers of corporate asset efficiency.
- Engineered a dynamic, decision-oriented Tableau visualization interface enabling executive stakeholders to immediately filter operational performance metrics, tracking corporate health trends.

Velora Athletics— 3-Year Financial Forecast & Valuation Model | *Tools: Excel, Data Analysis, Financial Projections*

- Built a simplified three-year operating forecast (FY2027E–FY2029E) driven by interactive Bear, Base, and Bull scenario parameters for revenue growth, gross margins, SG&A intensity, and tax rates.
- Structured link-driven mechanics modeling historical data patterns from public SEC Form 10-K income statements to calculate projected Diluted EPS and Share Count modifications.
- Designed a P/E multiple sensitivity matrix mapping valuation outputs against target stock prices (implied share pricing scales ranging from 16x to 32x valuations) following institutional formatting guidelines.

PROFESSIONAL EXPERIENCE

Lowe's Home Improvement – Woodbridge, NJ May 2025 – Present

Lead Cashier / Shift Leader

- **Rapid Advancement & High Performance:** Fast-tracked into a front-end supervisory role within 1 week of hire due to exceptional adaptability and transactional precision; earned consecutive performance awards and an 'Excellent' rating evaluation.
- **Financial Controls & Auditing:** Execute nightly financial data reconciliations, safe deposits, and drawer ledger balancing for 10+ active check-out registers with 100% data audit precision, mitigating cash variances and tracking discrepancies.
- **Team Leadership & Scheduling:** Supervise and distribute front-end workloads for a team of 10+ employees during peak weekend operational traffic; selected for a Full-Time Store Supervisor promotion (declined to prioritize completing B.S.).
- **Labor Optimization Analytics:** Monitor and evaluate hourly customer checkout speed and line length capacity to adjust floor deployment schedules in real-time, matching peak demands and preserving service level constraints.
- **Risk Management:** Enforce security compliance mandates, corporate inventory loss prevention controls, and system transaction override validation profiles to stop operational mistakes and secure underlying assets.

H&M – Edison, NJ June 2023 – November 2024

Customer Service Associate

- Delivered customer service protocols by resolving front-end service disruptions, managing point-of-sale systems, and processing cash/credit inventory balances across fast-paced environments.
- Collaborated alongside store teams to track daily sales metrics and execute layout standards for multi-department setups.

SKILLS

- **Financial Skills**: Financial Modeling & Forecasting, Data Analysis, Corporate Finance, Derivatives
- **Technical Skills:** Microsoft Excel, Tableau,MySql, HTML,UiPath (RPA).
- **Professional Skills:** Team Leadership, Customer Service, Problem Solving, Training & Coaching
